EXTRACT FROM SUBDIVISION 3, RULE 10.

(3) Alienage and citizenship. Any alien admitted to the United States may become a citizen of the United States by complying with the requirements of the naturalization laws in force at the time of his application for citizenship. Such laws require that the alien must have resided continuously in the United States for at least five years, and in the State or Territory where the naturalization court is at the time of application for at least one year, immediately preceding the filing of his petition for citizenship, and that he must have declared his intention to become a citizen of the United States at least two years prior to his admission, and not more than seven years prior thereto. Such declaration of intention must be filed in the office of the clerk of a court having jurisdiction to naturalize aliens. Exceptions to the foregoing requirements are made in favor of a person who is the husband of a citizen of the United States and resides with her in the United States, or who has served continuously for five years in the United States Army, Navy, or Marine Corps, and who was honorably discharged from such service. Applicants for citizenship must appear in person before the court, and the applicant's witnesses must appear with him. The witnesses must be citizens of the United States, and must be known to the court to be persons of good moral character, and must be able to state that they have personally known the applicant to have resided continuously in the United States for the period and within the State or Territory required by law preceding the application, and that during such period the applicant has behaved as a person of good moral character, attached to the principles of the Constitution of the United States, and well disposed to the good order and happiness of the same. In addition to such oral testimony, the applicant must present his own affidavit, setting forth his name, age, occupation, and place of residence, the place from which he emigrated, the place where and the time when he entered the United States, the name of the vessel upon which he arrived, whether he is married or single, the name, residence, and occupation of his wife and children, if any, and whether it is his intention to become a citizen of the United States solely to avoid service in the military or naval forces of this country, and that it is his bona fide intention to renounce forever all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty, and particularly to the prince, potentate, state, or sovereignty of which he may at the time be a citizen or subject, and that it is his intention to become a citizen of the United States and to reside permanently therein. Such affidavit must be sworn to before the clerk of the court, and in addition to the affidavit of the applicant himself, the testimony of at least two witnesses, citizens of the United States, must be given in support of the application, which testimony must be reduced to writing and sworn to before the clerk of the court. The latter must make a complete record of the proceedings at the time of the hearing of each case, including the questions asked of the witnesses, the answers given thereto, the decision of the court, and the order granting or denying admission to citizenship. A fee of $4.00 for each final application for citizenship shall be paid to the clerk of the court, which fee shall cover all services up to the time of the final hearing and order of the court, except the issuance of a certificate of citizenship, for which a fee of $2.00 shall be paid when such certificate is issued. No fee shall be charged to the applicant for services rendered in connection with his petition for citizenship prior to the filing of the petition, nor shall any fee be charged or collected from the petitioner at any time for any service rendered in connection with his petition, except as herein provided. The clerk shall account for and pay over to the United States all fees received by him in connection with petitions for citizenship in such manner as the Secretary of the Treasury may prescribe.

(4) Certificate. Upon the final hearing of the petition and the admission of the petitioner, a certificate of citizenship shall be issued forthwith under the seal of the court. No certificate shall be issued within ninety days prior to a general election in the county in which the petitioner resides. The certificate of citizenship shall state the name, place of residence, occupation, personal description, place of birth, race, and allegiance of the petitioner, the date of the petition, and the date when admitted to citizenship. Such certificate shall be signed by the petitioner in his own handwriting. In case the petitioner cannot write his name, his mark shall be affixed to the certificate in the presence of the subscribing witness and attested by the seal of the court. The certificate of citizenship issued to a native-born citizen who has resided continuously in the United States, its Territories, or the District of Columbia, for five years next preceding his application, and who has not been absent from the United States, its Territories, or the District of Columbia, for a longer period than one year at any one time during the said five years next preceding his application, and who has not been absent from the United States, its Territories, or the District of Columbia, for a period of more than one year at any

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department of Labor, and shall be used for delivery to the immigration officer pursuant to section 12 of the immigration act of 1917. The list or manifest of aliens shall not be altered in any way after it has been signed and sworn to before the consular officer, and the only additions or changes which may be made in the list after the vessel leaves the last foreign port and before it reaches the first port of arrival in the United States shall be corrections of mistakes which are discovered upon a recount of the aliens by the master, and such corrections must be initialed by the master. Failure to deliver a correct list will result in the imposition of a penalty of $10 for each alien concerning whom correct information is not furnished, unless it appears to the satisfaction of the Secretary of Labor that the master had reasonable cause to believe the list was correct. The master will be required to prove the payment of such fine, and in the event such fine is imposed, while it remains unpaid no clearance shall be granted clearance papers for the vessel on which the alien in question sailed or on any other vessel owned by the same interests, except in the discretion of the Secretary of Labor. The master will be required to deliver either of the said lists to each alien concerning whom correct information is required by the Secretary of Labor, but no such alien shall be entitled to demand or receive such list. The master will be required to prove the payment of such fine by the production of a receipt therefor from a collector of customs of the customs district in which such vessel arrives in the United States, or by the certificate of the Secretary of Labor that such fine has been remitted or refunded. Attested list duplicates may be required later to replace lists not delivered or a true duplicate not made as above required; and no such vessel shall be granted clearance papers for the determination of the question whether a manifest is required or the payment of such fine, and in the event such fine is imposed, while it remains unpaid no clearance shall be granted clearance papers for the vessel on which the alien in question arrived or on any other vessel owned by the same interests, except in the discretion of the Secretary of Labor. It shall be the duty of masters of vessels arriving at ports of the United States from foreign ports to deliver either of the said lists to such officers of customs or immigration as may be designated for the purpose at the customary place for inspection of passengers, and in the case of the failure of such owner, agent, consignee, or master to deliver as required a correct list, the master, owner, agent, consignee, or any person who shall refuse to deliver to such immigration officer a list as required by the Secretary of Labor shall be deemed guilty of a misdemeanor and on conviction thereof shall be punished by a fine of not more than $1,000 or by imprisonment for not more than one year, or by both such fine and imprisonment, in the discretion of the court. Any person who shall knowingly make a false statement in any list required by the Secretary of Labor shall be deemed guilty of perjury and shall be punished accordingly.

The list described below shall be prepared on blank forms approved by the Department of Labor, and shall be used for delivery to the immigration officer at the port of arrival, and shall in no instance be taken from the vessel. The list or manifest of aliens shall be signed and sworn to before the consular officer at the port of departure by the master in every case, and by the surgeon also, if there be one employed on such vessel, stating the particulars they respectively are required to certify in the said list. The said list or manifest must be delivered to the immigration officer at the port of arrival, or first one in the United States, by the master or in his absence for any reason by the surgeon, if there be one employed on such vessel, and in case of the master's death, his inability or failure to report, the list shall be delivered by the person who shall succeed to the command of such vessel. It shall be the duty of masters of vessels arriving at ports of the United States from foreign ports to report to the immigration officer at the port of arrival the sickness or death of any person during the voyage, and the cause thereof, and to deliver a correct list of the names of all persons who may have been buried at sea during the voyage since the last list was required, and the ages, sex, and nationality of such persons, so far as the same can be ascertained. All cases in which such vessel shall put into any port in distress shall be reported by the master, owner, agent, consignee, or person charge or control of such vessel to the immigration officer at the port of first arrival, stating the particulars of such case, and the reasons for putting into such port, so far as the same can be ascertained. All cases in which such vessel shall have been detained by stress of weather or other cause in any port of the United States, or compelled to anchor in the waters thereof, shall be reported by the master, owner, agent, consignee, or person in charge or control of such vessel to the immigration officer at the port nearest to the place where such detention occurred, stating the particulars of such detention and the cause thereof. Any person who shall refuse to comply with the requirements of this section, or who shall violate any of the provisions thereof, shall be deemed guilty of a misdemeanor and on conviction thereof in the district court of the United States for the district in which the port of arrival is located the sum of $10 for each alien concerning whom correct information is not furnished by the Secretary of Labor, but no such penalty shall be remitted or refunded. Attested list duplicates may be required later to replace lists not delivered or a true duplicate not made as above required; and no such vessel shall be granted clearance papers pending the determination of such question after delivery of a bond sufficient to cover such fine.

INSTRUCTIONS FOR FILLING ALIEN MANIFEST

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprehending Piedmont, Lombardy, Venetia, and Emilia) and their descendants. Migrant vessels in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." All of these people speak a Gallic dialect of the Italian language.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprehending Tuscany, the Papacy, Naples, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Against or in which alien resided with the intention of remaining for a year or more shall be the last permanent residence forgiven or failed or which alien resided with the intention of remaining one year or more shall be the last permanent residence therein.

The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence; country of birth; nationality, or race.

Country of last permanent residence of alien who is permanent resident of the United States and who returns from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. If it is not definitely known, the answer should show the State or Territory of intended future residence. If it is intended to remain permanently in the United States, the answer should be "United States."

Column 14 (Ultimately desire to become citizen).—The answer should be either "Yes" or "No" (no doubtful answers).

Column 15 (Ultimately return to country whence came).—The answer should be either "Yes" or "No" (no doubtful answers).

Column 16 (Have a relative or friend to meet you at port of landing? If so, state whether relative or friend).—The answer should show whether relative or friend is male or female, and should show relationship, if any, as father, mother, husband, wife, brother, sister, son, daughter, uncle, aunt, cousin, nephew, niece, grandfather, grandmother, friend, etc.

Column 17 (Amount of money in possession).—The entry should be made in dollars and cents, and should show the exact amount of money shown. Money in the form of a check or draft should be stated as money.

Column 18 (Whether ever before in the United States: If so, when and where? If not, when and where?).—The entries should show whether or not (Yes or No) in the United States; if so, the year (or period of years) and place, as 1904–1907, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 22.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to research by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized his re-admission, the admission symbol is to be entered.

Columns 23 to 25 (Nationality, race, and last residence).—Under the head of nationality should be entered the country to which alien owes allegiance, as Great Britain, Germany, France, Russia, Austria-Hungary, or any other country. Under the head of race should be entered the race to which alien belongs, as English, German, Irish, Italian, Hebrew, Polish, Russian, Bohemian, Slovak, Croatian, Magyar, Servian, Bulgarian, Spanish, Portuguese, Roumanian, Armenian, Finnish, Dutch, Flemish, Scandinavian, Japanese, Chinese, Hindu, Syrian, Negro, Indian, etc. Under the head of last residence should be entered the country of which alien is a subject or citizen, as Great Britain, Germany, France, Russia, Austria-Hungary, or any other country. In this column the following abbreviations should be carefully observed:

The term "Cuban" refers to the Cuban people (not Negroes).

CUBAN.

The term "Indian" refers to the people of the West Indies other than either Cubans or Negroes.

WEST INDIAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

SPANISH AMERICAN.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

Column 26 (Have you a ticket through to your destination?).—Should make no entries in this column. The above is for use of Government officials only.

Column 27 (Whether in possession of $50 or more, and how much).—The answer in this column should be expressed in even dollars, the letter applying only to those under 1 year of age.

Column 28 (Sex).—The entry should be either M (male) or F (female).

Column 29 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 30 (Whether a polygamist).—The entry should designate as accurately as possible the occupation of the alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, piano polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and laborers, terming the former one who owns or cultivates a farm, and the latter one who works on a farm for the man who employs it.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and agents before the personal examination of alien arrives.

Column 31 (Can read whether admitted or excluded).—The answer is to be "Yes" or "No."

Column 32 (Can write whether admitted or excluded).—The answer is to be "Yes" or "No."

Column 33 (Name and address of person in the United States whom alien intends to join).—The name and address of the person in the United States whom the alien intends to join should be given.

Column 34 (Whether in possession of railroad ticket to his destination, and whether paid for by himself or by others).—The answer is to be "Himself" or "Others."

Column 35 (Whether ever before in the United States: If so, when and where? If not, when and where?).—The entries should show whether or not (Yes or No) in the United States; if so, the year (or period of years) and place, as 1904–1907, Philadelphia.

Column 36 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 37 to 39.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to research by inspection officers in the examination of aliens. However, in answering question 38, if alien has been deported within one year and the Secretary of Labor has authorized his re-admission, the admission symbol is to be entered.

Columns 40 to 42 (Nationality, race, and last residence).—Under the head of nationality should be entered the country to which alien owes allegiance, as Great Britain, Germany, France, Russia, Austria-Hungary, or any other country. Under the head of race should be entered the race to which alien belongs, as English, German, Irish, Italian, Hebrew, Polish, Russian, Bohemian, Slovak, Croatian, Magyar, Servian, Bulgarian, Spanish, Portuguese, Roumanian, Armenian, Finnish, Dutch, Flemish, Scandinavian, Japanese, Chinese, Hindu, Syrian, Negro, Indian, etc. Under the head of last residence should be entered the country of which alien is a subject or citizen, as Great Britain, Germany, France, Russia, Austria-Hungary, or any other country. In this connection the following distinctions should be carefully observed:

The term "Cuban" refers to the Cuban people (not Negroes).

CUBAN.

The term "Indian" refers to the people of the West Indies other than either Cubans or Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

Columns 2 and 3 (Name). — The surname should be entered first, followed by a comma and then the given name or initials. The names should be entered exactly as they appear in the alien's unexpired passport, or, if he has no passport, as nearly as possible.

Columns 4 (Age). — The age should be entered as of his last birthday. Thus, if he was born on January 15, 1900, and the date of sailing is December 1, 1913, he will be 13 years old, not 14.

Columns 5 (Sex). — Write "male" or "female," as the case may be.

Columns 6 (Married or single). — The answer should be "married" or "single," as the case may be. Consult the alien carefully, and do not enter "married" unless he is actually married. Widowers and widows should be entered "single."

Columns 7 (Calling or occupation). — The entry should state what the alien has been accustomed to do for a livelihood, whether as a laborer, servant, professional person, merchant, farmer, or other calling. Do not enter "student," "child," or "none" unless the alien has been actually engaged in study or has no occupation. Do not enter "laborer" unless he has been employed as such. Be specific. Thus, a bricklayer should be so described, and not as a mason; a tailoress should be described as such, and not as a seamstress; a telegraph operator should be described as such, and not as a telegrapher; a bookkeeper should be described as such, and not as a clerk; a clerk in a store should be described as such, and not as a salesman; a coal miner should be described as such, and not as a miner; a machinist should be described as such, and not as a mechanic; a cotton mill operative should be described as such, and not as a factory hand; a glass blower should be described as such, and not as a factory hand; a boilermaker should be described as such, and not as a laborer; a puddler should be described as such, and not as a laborer; a rougher should be described as such, and not as a laborer; a roller should be described as such, and not as a laborer; a heater should be described as such, and not as a laborer; a driller should be described as such, and not as a laborer; a furnaceman should be described as such, and not as a laborer; a forgeman should be described as such, and not as a laborer; a hammerman should be described as such, and not as a laborer; a shearman should be described as such, and not as a laborer; a catcher should be described as such, and not as a laborer; a finisher should be described as such, and not as a laborer; a helper should be described as such, and not as a laborer; a shaper should be described as such, and not as a laborer; a molder should be described as such, and not as a laborer; a miner should be described as such, and not as a laborer; a driver should be described as such, and not as a laborer; a painter should be described as such, and not as a laborer; a weaver should be described as such, and not as a laborer; a spinner should be described as such, and not as a laborer; a piler

Column 5 (Married or single).—The word should be written S (single), M (married), W (widow), or D (divorced).

Column 6 (Calling or occupation).—The word should describe as accurately as possible the occupation, trade, or profession to which a person is normally engaged, as, for example: Clerk, engineer, mechanic, fitter, boiler-maker, cook, tailor, dressmaker, nurse, typist, or other descriptive designation.

A description should be made between female and male adults, as follows:

A female is one who operates a farm, either for herself or for others.

A farmer is one who owns a farm or who is a tenant of the farm who operates it.

Agricultural labourers should make this distinction on the manifest, and corresponding should be made.

An Irish, German, or American alien by race or people should be entered under the several countries of the family.

Column 11 (Last permanent residence).—Actual or intended residence in the United Kingdom for one year shall constitute permanent residence. If it is important for the purpose of the inquiry to ascertain whether the alien has a permanent residence in other countries, it should be done by the examining officer asking the alien the following questions: "Have you a permanent residence in any other country?" "Where is your permanent residence?" If the alien has a permanent residence in another country, the name of that country should be entered in the column. If the alien has the right to return to his permanent residence, but has no permanent residence in any country, he should be considered as having his permanent residence in the United Kingdom.

Column 12 (Country to which he belongs).—The country should be stated to which the alien belongs by birth or naturalization. If he has no country, he should be described as "Stateless."

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should contain the name and address of such relative. If no such relative exists, give name and address of friend.

Column 14 (Final destination).—The words to be used should be the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United Kingdom.

ITALIAN (NORTH).

The people who are native to the north of the River Po in Northern Italy (i.e. compartimento di Piemonte, Lombardia, Venezie, and Liguria) and their descendants, whether residing in Italy, Switzerland, Malta, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the south of the River Po (i.e. compartimenti di Toscana, Umbria, Marche, Lazio, Abruzzi e Molise, Campania, Puglie, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

Columns 1 to 14.—These particulars are self-explanatory.

Column 15 (Last permanent residence).—Answer to an intending resident of one town should be the name of the town in which alien resided with the intention of continuing permanent residence. The last country in which alien resided with the intention of becoming permanent resident should be stated, even though alien may have resided in that country for many years. It is important for statistical purposes that accurate information be given as to the permanent residence. If a temporary (not permanent) residence intervened between that abandoned and that now sought, state "Temporary residence" in column 15 and the country of such temporary residence.

Column 16 (Ticket destination).—The surgeon is to ascertain and record the destination of the alien as shown on the ticket. If no such ticket is held, the surgeon is to record the destination as stated by the alien.

Column 17 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative is held, the entry should show the name and address of friend.

Column 18 (Final destination).—The surgeon is to ask alien for the intended future permanent residence. An intended residence in one town shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. If alien intends to proceed to the United States, state "United States."

Column 19 (Nearest railway station or town in country of destination).—The surgeon should be careful to record the nearest railway station to which alien intends to proceed, whether in the United States or elsewhere.

Column 20 (Are you joining husband, father, relative or other person? If so, state name, relationship, and full address of person).—The surgeon should be careful to record the answer to this question, as the information is important.

Column 21 (Names and addresses of persons to whom alien is going).—The surgeon should be careful to record the name and address of each person to whom alien intends to go. The entry should show the name, relationship (if any), and full address of each person. Address probably the same as that given in column 17.

Column 22 (Whether ever in prison or almshouse, and, if so, which and why).—The surgeon should be careful to record any admission to prison or almshouse, whether such admission was for a criminal offense or not, and the cause of such admission. The entry should show the name of the institution, the length of time spent therein, and the cause of admission.

Column 23 (Whether a polygamist).—The surgeon should be careful to record any admission that alien is a polygamist, or any evidence that he is a polygamist, whether such admission or evidence be found in answers to this or any other question, or otherwise.

Column 24 (Whether coming for labor).—The surgeon should be careful to record any admission that alien is coming to the United States for labor, or any evidence that he is coming for labor, whether such admission or evidence be found in answers to this or any other question, or otherwise.

Column 25 (Whether anarchist).—The surgeon should be careful to record any admission that alien is an anarchist, or any evidence that he is an anarchist, whether such admission or evidence be found in answers to this or any other question, or otherwise.

Column 26 (Whether previously deported and, if so, when and why).—The surgeon should be careful to record any admission that alien has been previously deported from the United States, or any evidence that he has been previously deported, whether such admission or evidence be found in answers to this or any other question, or otherwise. If alien has been previously deported, the entry should show the time of such deported, the cause for deportation, and whether alien has returned without permission.

Column 27 (Condition of health, mental and physical).—The surgeon should make no entries in this column. The space is for use of Government officials only.

Column 28 (Identification mark).—Alien should make no entries in this column. The space is for use of Government officials only.

Columns 29 to 34.—These columns are for the use of the Government officials only.

Columns 35 to 37.—These columns are for the use of the Government officials only.

Columns 38 to 40.—These columns are for the use of the Government officials only.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the point of the River Po (i. e., comprising the provinces of Liguria, Piedmont, the Marches, Lombardy, Venetia, Modena, Parma, Romagna, Tuscany, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. If a person has resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the county and city or town of last permanent residence. It is important for statistical purposes that accurate comparisons accurately show country of last permanent residence independent of country of temporary residence; country of birth; nationality; or race.

Country of last permanent residence of aliens who are permanent residents of the United States are not to be entered "United States".

Column 13 (Names and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. If no such relative lives, give name and address of friend.

Column 14 (Final destination).—The purpose to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence; it implies the United States; country, it outside the United States.

Column 15 (Whether ticketed to final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (Whether have passage paid).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States; and if so, when and where).—The entries should show whether or not (Yes or No) in the United States; before and if so, the year (or period of years) and place, as 1903, Philadelphia.

Column 19 (Whether going to join relatives or friend; and if so, what relative or friend).—The answer should show whether going to join relatives or friend; and if so, what relative or friend.

Column 20 (Whether have a ticket through to place of ultimate destination).—The entries should show whether tickets are sold-coupon or otherwise and the answers like all others on the manifest should be complete address.

Columns 21 to 23.—These questions are self-explanatory and the answers like all others on the direction so, it shall have been deported within one year and the Secretary of Labor has authorized him to reship, for admission the said alien to the country whence he came.

Columns 24 to 27 (Whether admitted or not admitted into the United States; and reason for same).—The entries should be made as directed by the Immigrant Inspector at the time of the examination of aliens. However, in numerous cases the Inspector is instructed by telegraph to admit aliens pending the receipt of certain information, and in such cases the entries should be made as directed by the Inspector in charge.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the point of the River Po (i. e., comprising the provinces of Liguria, Piedmont, Lombardy, Venetia, Modena, Parma, Romagna, Tuscany, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Tripoli, Corsica, Malta, Tunis, Egypt, Argentina, Brazil, or any other country, should be classed as "Italian (south)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the point of the River Po (i. e., comprising the provinces of Liguria, Piedmont, Lombardy, Venetia, Modena, Parma, Romagna, Tuscany, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Tripoli, Corsica, Malta, Tunis, Egypt, Argentina, Brazil, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

Column 5 (Race).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd(widowed), or D (divorced).

Column 7 (Occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Coal miner, stationary engineer, laborer, tailor, dressmaker, minister, clerk, servant girl, housekeeper, seamstress, engineer, locomotive engineer, machine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between laborers and artisans. Laborers, or the unskilled class, are those who perform manual labor, as a rule, without the use of tools requiring any particular skill, and artisans are those who perform manual labor, as a rule, with the use of tools requiring skill.

A farmer is one who operates a farm either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors who formerly checked the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column is subdivided and contains the following direction: "Read what language [or, if examination is refused, show what refusal]." In answering this direction the language or dialect the alien is able to read should be stated. If alien is unable to read any examination should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inspectors should be carefully trained by inspectors and experts charge in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may have under property come under the passport of England, Switzerland, or any other country. In this connection the following distinctions should be observed:

GREEK.

The term "Greek" refers to the Greek people (not Turkish).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Mexican.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. The alien must submit evidence of blood of the African Negro should be established under the penalty.

Note.—Full text of duration 54 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy. (I.e., compatriots of Lombardy, Piedmont, Venetia, and Emilia) and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., comprising Venetia, Lombardy, Piedmont, and Liguria) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of alien who has permanent residence in the United States and has temporarily gone to a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relative. It no such relative lives, give name and address of friend.

Column 13 (Final destination).—The purpose to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence; it within the United States; country, if outside the United States.

Column 14 (Whether married or single).—Write out in full whether married or single.

Column 15 (Age).—Write age in years. If under 1 year, state in months.

Column 16 (Sex).—Write "male" or "female."

Column 17 (Whether in possession of $50 or more, & if less, how much).—The answer should give in each case (regardless of family) the exact amount of money shown. Money promptly by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when & where).—The entries should show whether or not (Yes or No) in the United States; before, and if so, the year (or period of years) and place, as: 1901-1903; Philadelphia.

Column 19 (Whether going to join relative or friend; and if so, what relative or friend, and what name and complete address).—The answer should show whether going to join other relatives or friends; and if so, what relative or friend, and complete address.

Columns 20 to 24.—These questions are self-explanatory, and the answers, like all others on the manifest, are subject to revision by inspection officers in the examination of aliens. However, in answering these questions it is also particularly important that the accuracy of [illegible] be given to enable the authority for such redetermination should be given.

Columns 20 to 24.—These questions are self-explanatory, and the answers, like all others on the manifest, are subject to revision by inspection officers in the examination of aliens. However, in answering these questions it is also particularly important that the accuracy of [illegible] be given to enable the authority for such redetermination should be given.

Column 3 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Visa).—The answer in this column should be expressed in terms of months: the letter should be given only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd(widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Coal engineer, stationary engineer, locomotive engineer, machine engineer, farmer, farmer, tailor, tailoress, shoemaker, shoemaker, etc., and not simply as engineer, laborer, worker, tailor, or other indefinite designations.

A distinction should be made between learners and [illegible] workers of the various of the following:

A learner is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farm who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and readers checks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—The column is subdivided and contains the following direction: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read any language, but is over sixteen years of age and not otherwise exempt from the literacy test, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and readers checks in this regard. For instance, "France" appearing under the head of race or people does not mean "France" by race or people, and, similarly, "French" appearing under the head of country does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In the connection the following distinctions should be especially observed:

GERMAN.

The term "Canaan" refers to the Canaan people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

TURKISH (HEBREW).

"Turkish (Hebrew)" refers to the Turkish Empire, whether common term (Jew or other) should be the Turkish Empire. Another or Arab. Any alien with sufficient of blood of the Moorish Empire should be classed under this heading.

That upon arrival of any vessel in the United States from any foreign port or from any port in the Philippine Islands or Porto Rico, the master, owner, agent, consignee, or master thereof shall report to the Secretary of Commerce and Labor, through the Bureau of Immigration, the name of every alien on board such vessel, stating the nationality, last residence, and destination of each such alien; and such report shall be verified by the oath of such master, owner, agent, consignee, or master before the collector or other chief officer of customs at the port of arrival, or his deputy specially designated for the purpose. Such master, owner, agent, consignee, or master shall also report, at the time of the departure of such vessel from a port of the United States, the name of every alien on board such vessel, the last residence and destination of each such alien, and such other information as may be required by the Secretary of Commerce and Labor, through the Bureau of Immigration, touching the movements of aliens in the United States. Such report shall be verified by the oath of such master, owner, agent, consignee, or master, or his deputy specially designated for the purpose, before the collector or other chief officer of customs at the port of departure. Any master, owner, agent, consignee, or master who shall refuse or neglect to report, or who shall make any false report, concerning any alien on board his vessel, shall be punished by a fine of not more than $1,000 for each such offense. Any master, owner, agent, consignee, or master who shall refuse or neglect to report the illegal landing of any alien, or who shall land or permit to be landed any alien at any time or place other than as designated by the immigrant inspector, shall be punished by a fine of not more than $1,000 for each such offense. Any master, owner, agent, consignee, or master who shall refuse or neglect to detain on board his vessel, or other vessel or vehicle under his control, any alien when ordered by the immigrant inspector in charge of the port, or who shall refuse or neglect to take any such alien on board his vessel and transport him to the port from which he came, or to such other foreign port as may be designated by the Secretary of Commerce and Labor, shall be punished by a fine of not more than $1,000 for each such offense. Any master, owner, agent, consignee, or master who shall refuse or neglect to pay the head tax provided for by section 34 of this Act shall be punished by a fine of not more than $1,000 for each such offense. Any master, owner, agent, consignee, or master who shall refuse or neglect to perform any other duty required of him by this Act, or who shall violate any of the provisions of this Act, for which no other punishment is prescribed, shall be punished by a fine of not more than $1,000 for each such offense. In every case where any fine or penalty is imposed upon any master, owner, agent, consignee, or master of a vessel by this Act, such vessel shall also be liable therefor, and may be seized and held by any officer of the United States authorized for the purpose by the Secretary of Commerce and Labor, by any immigrant inspector, or by any officer of customs or officer of the customs-revenue cutter service, and may be sold or forfeited to the United States pursuant to any proceedings which may be taken in relation thereto in any court of competent jurisdiction. The Secretary of Commerce and Labor may, in his discretion, remit any fine or penalty provided for in this Act, or any part thereof, and may compromise any suit brought to recover the same. Any such fine, penalty, or forfeiture may be recovered, and any such suit may be brought, in the name of the United States, by any immigrant inspector, or by any person specially designated by the Secretary of Commerce and Labor for the purpose, and the Solicitor for the Department of Commerce and Labor shall conduct the litigation in connection therewith; but nothing herein contained shall be construed to require the services of such Solicitor in the case of suits brought in the courts of first instance in the Philippine Islands or Porto Rico. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate blanks should be used for every person except children under 14 years of age accompanying parent.

ITALIAN (FROM).

The people who are going to the land of the King of Italy in northern Italy (i. e., Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or via other countries should be classed as "Italian (north)." Most of these people speak a Gallic dialect to the Italian language.

ITALIAN (SOUTH).

The people who are going to that portion of Italy south of the Papal States (i.e., Tuscany, the Marches, Umbria, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Started in an introduced residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence. It is important for statistical purposes that this be given correctly. The entries in column 11 should show the country of which the alien was previously a bona fide permanent resident, not country of last permanent residence independent of country of temporary residence; country of birth, nationality, or race.

Column 12 (Destination).—The entry should show complete address of friend or relative to whom alien came.) The entry should give name and address of friend.

Column 13 (Final destination).—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence; it within the United States, country; if outside the United States, country to which alien will go. (Refer to Nos. 7 and 8 (no locks).)

Column 14 (If now under any bonding law).—The entry should show definitely the place (city or town) of intended future permanent residence; if within the United States, country; if outside the United States, country to which alien will go. (Refer to Nos. 7 and 8 (no locks).)

Column 15 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry should give name and address of nearest relative or friend.

Column 16 (Ever in U. S. before?).—(Answer by "Yes" or "No.") If the alien has been in the United States before: when? where? how long? reason for coming? etc.

Column 17 (Ever in possession of $50 and if less, how much).—The answer should show whether the alien has in his possession at the time of inspection money in any form to the amount of $50 and if less, how much less. (Individual or family) the exact amount of money alien has in his possession. Money in any form, including bank drafts, letters of credit, or other negotiable paper, should be included in the amount. Persons coming for the purpose of joining relatives or friends should not be charged the head tax unless they have in their possession $50 in cash.

Column 18 (If not in possession of $50, how much money has he?).—(Answer by "Yes" or "No") If the alien does not have $50 in his possession, the entry should show whether he has any money and, if so, how much. If he has, the entry should show whether he has $30 or more, or less than $30. Any amount of money in the possession of the alien should be included, whether in the form of cash, bank drafts, letters of credit, or other negotiable paper.

Column 19 (Whether going to join relative or friend; and if so, what relative or friend).—The answer should show whether going to join relative or friend; and if so, what relative or friend. If the answer should show whether going to join alien; and if so, what relative or friend: and if so, what relative or friend. Where relative or friend, give name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to examination by immigrant inspectors. Careful examination of the questions and answers is necessary before the alien is passed. However, in unusual cases, it may be necessary for the Commissioner of Immigration at the Port of Arrival to make additional investigation before the alien can be finally admitted. Where alien arrives at a port other than his destination, he should be informed that he must have his baggage examined by customs officials at the port of arrival and must present to the immigrant inspector at the port of destination a certificate from the customs officials that his baggage has been examined and passed. Where alien arrives at destination without having had baggage examined at port of arrival, he should be informed that he must present himself with his baggage for examination by customs officials at the nearest port of entry.

Column 34 (Height).—Enter height in feet and inches, as "5 ft. 6 in." Do not enter merely "medium" or "average."

Column 35 (Complexion).—Enter complexion as "light," "medium," "dark," "fair," "sallow," "ruddy," "pale," "florid," etc., and not simply as colored, brown, black, etc. Enter the color of eyes, as "blue," "gray," "brown," "black," "hazel," etc. Enter the color of hair, as "blond," "brown," "black," "auburn," "red," "gray," "bald," etc.

ACKNOWLEDGMENT OF SURGEON

U. S. S. "ANAMIA", Surgeon of the ..... do

solemnly, sincerely, and truly swear that I have had 28 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the British Medical Council, and that I have made a personal examination of each of the above alleged Lists of Aliens, and that the foregoing Lists of Aliens, 3 in number, correctly and to the best of my knowledge and belief, are true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 28 day of July, 1913

at NEW YORK.

NOTE.—If a person able to write fails, owing to physical disability, to sign the declaration, the fact should be noted on the manifest opposite the name of such person, and the declaration may be signed by another person in the presence of the inspector.

NEW YORK SHEET U.S.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark

Column 2 (Head-tax status).—Grammatically three should make no entries in this column. The space is for use of Government officials only.

Column 3 (Age).—The years in this column should be expressed in years or months. For infants beginning only to cross under 1 year of age.

Column 4 (Sex).—The entry should be either M (male) or F (female).

Column 5 (Married or single).—The years should be M (married), S (single), Wd (widowed), D (divorced).

Column 6 (Occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, electrical engineer, locomotive engineer, mining engineer, piano polisher, wood finisher, etc., but not simply as engineer, polisher, worker, finisher, or other indefinite designations.

A dictation should be made between persons first and last spoken, regardless of the amounts of words spoken, as follows:

A limit is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the men who operates it.

Agricultural companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors during regular duties at the terminal examination of alien arrivals.

Column 8 (Able to read and write).—The column is subdivided and contains the following direction: "Read what language [or, if illiterate, write language]." An answering this direction the language or dialect the alien is able to read should be stated. It also is unable to read and write another alien from the language indicated.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—The list of races printed on back of this sheet. The entry should show the race or people as given in this list.

Special attention should be paid to the distinction between race and the country of which alien is subject, country of last permanent residence, and country of birth. The entries in this column should be carefully typed with inspectors and typewriter ribbon in this column. For instance, "France" should be entered under the head of country does not mean "French" by race or people, and similarly, "French" should be entered under the head of race or people does not mean "France" by country. An Arab, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be carefully observed:

THE ROMAN (RACE).

The term "Roman" refers to the people of Central and South America of Spanish descent.

ARABIAN (RACE)

"Arabian (Race)" refers to the Arabian Peninsula, whether coming from Syria or other countries of Asia Minor. Arabs from Africa should be classed under "Egyptian (Race)."

ITALIAN (RACE OR PEOPLE).

The people who are native to that portion of Italy south of the Pisan of the River Po (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or even other countries should be classed as "Italian (race)." Most of these people speak a dialect of the Italian language.

ITALIAN (RACE).

The people who are native to that portion of Italy south of the Pisan of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Abruzzi, the Campania, Molise, Capitanata, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (race)."

Column 11 (Last permanent residence).—Aliens in intended residence to one year shall continue permanent residence. The term country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of time or even if last residence foreign. The entries in column 11 should show the country and not city or town of last permanent residence. It is important for statistical purposes that alien's permanent residence independent of country of nationality, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States." Column 12 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this direction shall show the intended interim permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future residence. If such destination is changed, new entry must be made, and the name of the person making the change should be given.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (Whether in possession of $50, and if less, how much).—The entry should show amount of money (if any) alien has in his possession.

Column 16 (By whom was passage paid).—The entry should be identified by whom passage was paid, as self; husband; father; brother, or other relative; friend; missionary society, government, etc.

Column 17 (Whether in possession of ticket to ultimate destination).—The answer should be given in each case (whether or not) the alien has a ticket to his ultimate destination.

Column 18 (Whether going to join relatives or friends, and if so, what relatives or friends, and their name and complete address).—The entries should show whether the alien is going to the United States to join relatives or friends, and if so, what relatives or friends, their name and complete address.

Column 19 (Whether ever before in the United States; and if so, when and where).—The entries should show whether the alien (Yes or No) in the United States before; and if so, the last visit (as having to years) and place, as, 1881-1901, Philadelphia.

Column 20 (Whether ever in prison or almshouse or supported by charity; and if so, what institution or friend; and how long in each case).—The entries should show whether the alien has been in prison or almshouse or supported by charity, and if so, what institution or friend; and how long.

Columns 20 to 23.—These questions are self-explanatory and the answers likewise. However, it should be remembered that no information should be given which may be detrimental to the alien. Therefore, if there are any questions as to whether information should be given, the Commissioner of Immigration should be asked for instructions before the manifest is delivered.

VERIFICATION OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, C.S. Hotchkiss, Master of the British SS "ARIADNE", from Liverpool, do solemnly, sincerely, and truly swear (or affirm) that I have carefully examined the foregoing manifest of aliens, and to the best of my knowledge and belief the answers to the several questions therein contained are full, true, and correct, and that every alien mentioned therein is correctly described, and that I will deliver a duplicate copy of said manifest, certified by me, to the Immigrant Inspector at the first port of arrival in the United States at which the vessel shall call after her departure from Liverpool, and that I will not land or permit to land from the vessel any alien mentioned in said manifest at any port except as provided by the immigration laws and regulations.

C.S. Hotchkiss, Master.

Subscribed and sworn to before me this 28 day of July, 1914, at the port of New York.

AFFIDAVIT OF SURGEON

I, C. E. O'Brien, Surgeon of the "Amalia", sailing from Rotterdam, do solemnly, sincerely, and truly swear that I have had 28 days' actual and constant practice as a Physician and Surgeon, and that I am entitled to Practice as such by and under the authority of

British Medical Council, and that I have made a personal examination of each of the aliens intended forthwith, and that the foregoing Lists or Manifest Sheets 3 in number contain the full, correct, and true name of every person who has been a steerage passenger on the said vessel from the time of embarkation to the present time, so far as I have been able to ascertain the same, and that I have caused the said Lists or Manifest Sheets to be signed by the Purser of the said vessel.

Sworn to before me this 31st day of July, 1912

[illegible]
Commissioner of Immigration at the Port of New York.

Column 2 (Head-list width).—Arrangement here should make no entries in this column.

The above is for use of (government district name).

Column 3 (Age).—The ratings in this column should be expressed in years or months.

Column 4 (Sex).—The entry should be either M (male) or F (female).

Column 5 (Married or single).—The warrant should be M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade or profession of each man entered, as, for example: (1) If engineer, electrical, chief, locomotive engineer, marine engineer, stoker, boiler, steam, motor, fitter, or other engineering designations.

A distinction should be made between firemen and trimmers, together of the amount of money drawn, as follows:

A fireman is one who works a watch for the main or donkey boilers.

A trimmer is one who works at a trimming machine, by inspectors and removes dirt from the bunkers to the stokehold, and generally coaling should make this distribution on the manifest, but corrections should be made, if necessary, by inspectors and vessels after the personal examination of each entry.

Column 7 (Place of birth).—Give name of country and city or town of birth.

Column 8 (Nationality).—Indicate by individual and countries the following direction: "Born same language as," if examination is claimed; many men are born in Ireland, Scotland, Wales, etc., and should not be entered as "British," but as "Irish," "Scotch," "Welsh," etc., as the case may be.

Special attention should be paid to the distinction between race and the country of which each race or people is a native or subject. For example, although Russia contains many races, it is entirely proper to enter as "Russian" the following races or peoples, and similarly: "French" should not be used to indicate the race or people composing the population of France, Switzerland, or Belgium, or any other country. In this connection the following designations should be observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

PANAMA CANALMAN.

"Panamanian" refers to the people of Central and South America or Spanish descent.

PANAMA (BRACK).

"Panama (brick)" refers to the Panama Negro, whether coming from Cuba or other islands of the West Indies. North or South America. Panama, or Africa. This also with the addition of the Panama Negro should be classified under this heading.

Column 9 (Last residence).—Give name of country in which last permanent residence was made. Do not enter "Steerage," "Transit," or the name of any city, town, or village in which the immigrant may have been detained while in transit.

Column 10 (Intending permanent residence).—The name of the country in which the immigrant intends to become a resident should be entered. Do not enter "United States," unless the immigrant has the price of his railroad ticket to his destination, or unless he has friends who have sent him money for his railroad ticket, or unless he has friends to whom he is going who have sent him money for his railroad ticket. Do not enter the name of any city, town, or village in the United States.

Column 11 (Final permanent residence).—Actual or intended residence of one year or more shall be the last permanent residence to which the immigrant may go. The entries in column 11 should show the country, state, province, island, city, town, or village (if in the United States) where the immigrant has the intention of remaining one year or more. It is important for statistical purposes that the name of a town of less than 10,000 inhabitants should be followed by the name of the county in which it is situated. Do not enter "United States" unless the immigrant has the price of his railroad ticket to his destination, or unless he has friends who have sent him money for his railroad ticket, or unless he has friends to whom he is going who have sent him money for his railroad ticket. Do not enter the name of any city, town, or village in the United States.

Column 12 (Ever in U.S. before?).—The answer to this question shall show the intended permanent residence. The entry should show definitely the place (city or town) of intended future residence. If in doubt as to the correct spelling of the name of a city, town, or village, refer to the latest railway guide or consult the agent of the railroad on which the immigrant intends to travel.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended permanent residence. If within the United States," connect," if outside the United States, write name and address of friend.

Column 14 (Have relatives).—The answer should be "Yes" (or "No") or "No" (no one).

Column 15 (Name and complete address of nearest relative or friend in country whence came).—The entry should give name and address of adult relative or friend, preferably husband, wife, father, mother, brother, or sister, if any. If no adult relative or friend in the country whence the immigrant came, the fact should be stated.

Column 16 (Money in possession of $30, and if less, how much).—The answer should be "Yes" or "No." The amount of money should be stated. Money may be in the form of cash, express or bank orders, or travelers' checks. The immigrant should be questioned closely as to the amount of money he has with him, and if he has less than $30 he should be asked how he intends to support himself after landing. If he has friends who have sent him money for his railroad ticket, he should be asked how much they sent him, and if he has friends to whom he is going who have sent him money for his railroad ticket, he should be asked how much they sent him.

Column 17 (Ticket).—The entry should be "Through" if the immigrant has a ticket entitling him to transportation to his destination, and "Not through" if he has not.

Column 18 (Whether ever before in the United States: how often; when and where).—The answer should be "Yes" (or "No") in the United States before; how often; when and where).—Column 18 (Whether ever before in the United States: how often; when and where).

INSTRUCTIONS FOR FILLING MAIN MANIFEST

Separate Sheets should be prepared for each Port in which Passengers embark

Column 2 (Read-in name).—Grammatical Inflections only.

The space is for use of Government officials only.

Column 3 (Age).—The years to be entered in this column should be expressed in years or months, as the case may be, the latter applying to infants under 1 year of age.

Column 4 (Sex).—The thirty Male should describe as M (male) or F (female).

Column 5 (Married or single).—The terms should be M for (married) S (single), (widowed) D or (divorced).

Column 6 (Calling or occupation).—The thirty Male should describe as accurately as possible the occupation, trade, or profession to which each person has been trained, as, for example: Civil engineer, locomotive engineer, mining engineer, stone mason, steel worker, blacksmith, wood turner, etc., and, in view of the different conditions which prevail in the United States and Canada, it is important that the calling should be described as accurately as possible, so that, for example, a farmer who has been engaged in raising cattle should not be described as a "farmer" or "agriculturist," but as a "cattle raiser" or "cattle breeder," and so on.

The description should be made between inmates and main importers, telegraphic or the usual abbreviations should be used, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works at or on a farm for the man who operates it.

Gardeners should be described as market gardeners, florists, nurserymen, or truck farmers, according to the character of the business in which they are engaged.

The thirty Male should be filled in with the name of the city, town, or village in which each person has had his last permanent residence. It is important for statistical purposes that the exact city or town in which the last permanent residence of each person has been should be given, and not merely the name of the State or country. Thus, for example, a person who has been living in the city of New York should write the name of that city in the column, and not merely write "United States," or "America," or "U. S. A." The thirty Male should be filled in with the name of the city, town, or village in which each person has had his last permanent residence. It is important for statistical purposes that the exact city or town in which the last permanent residence of each person has been should be given, and not merely the name of the State or country. Thus, for example, a person who has been living in the city of New York should write the name of that city in the column, and not merely write "United States," or "America," or "U. S. A." Persons who have been living in the city of London should write the name of that city, and not merely "England," or "Great Britain," or "United Kingdom." Persons who have been living in the city of Paris should write the name of that city, and not merely "France." Persons who have been living in the city of Berlin should write the name of that city, and not merely "Germany," or "Prussia," or "Empire." Persons who have been living in the city of Vienna should write the name of that city, and not merely "Austria," or "Austro-Hungary," or "Austro-Hungarian Empire." Persons who have been living in the city of Montreal should write the name of that city, and not merely "Canada," or "Dominion of Canada," or "British North America." Persons who have been living in the city of Mexico should write the name of that city, and not merely "Mexico." Columns 12 (Name and complete address of nearest relative or friend in country whence came).—The thirty Male should write the name and address of such relative. It should be written plainly, and the address should be sufficiently explicit to enable the immigrant to be forwarded to destination without delay. Initials should not be used, but the full name should be written.

Column 13 (Final destination).—The purpose for this question is to ascertain whether the immigrant intends to remain permanently in the place (city or town) to which he is destined, or whether he intends to go to some other place. The thirty Male should write the name of the place to which each person intends to go, and if to the United States, should state whether he intends to remain permanently or temporarily.

However, in answering question 20, when the person referred to is under sixteen years of age, and therefore presumably unmarried, the word "Single" may be written in the column, instead of the word "No."
